Savage 110 Engage Hunter XP 350 LEGEND with Bushnell Engage scope

Details

This package combines the proven Model 110 rifle platform with a factory-mounted and boresighted Bushnell Engage scope. Length-of-pull on the 110 Engage Hunter XP is easily customized to fit any shooter for comfort and consistency, and the user-adjustable AccuTrigger provides a light, crisp pull. The rifle's improved ergonomics get even more accuracy from its legendary 110 action, floating bolt head, and thread-in, zero-tolerance headspace system, while the optic's drop-compensating reticle makes it easier to place precise shots at longer ranges.
